Teen & Kid Closet is proud to present the Bourbon & Bacon Bash! This event is an opportunity to sample bourbons from local and regional distilleries, and breweries, while enjoying bacon-themed foods from our area's top chefs! We are looking for vendor partners to share the afternoon and hope you will consider joining us and supporting this wonderful cause.

### THE CAUSE

Your attendance supports Teen & Kid Closet who is all about dignity for an often-overlooked population, children in need. The idea is simple. We give new or gently-used clothing to children who need it. Our focus is on youth in foster care or in poverty. TKC is a brick-and-mortar shop in Spokane, serving all of Eastern WA and Northern ID. Every shopper, from babies to young adults, is welcome to our free shop. Each child must be referred by someone of authority, such as a social worker or school counselor. Most of the youth we serve have no other access to nice clothes. Many times, they carry a few possessions around in a trash bag, and sometimes they don't even have that. By partnering with community members to get clothing donations, and staffing all positions with volunteers, we leverage resources in a huge way. Together, we are helping our children and youth understand how much our community cares about them and believes in them.
